

## HAMPTON TALKS OF FEDERAL BUILDING

HAS BEEN IN NATIONAL CAPITAL  
FOR PAST SEVERAL WEEKS.

Handsome Government Building  
Ever Erected Under the Present  
Administration.

"Gainesville will have the hand-  
somest and best public building  
ever erected under the present ad-  
ministration"—B. F. Hampton.

B. F. Hampton, secretary of the  
Gainesville Board of Trade, who has  
been in Washington for the past sev-  
eral weeks assisting in the final ad-  
justments of the new Federal build-  
ing, has returned and talks interest-  
ingly of the work soon to commence.

"The exterior finishings of this  
building," said Mr. Hampton, "will  
be of Indiana lime-stone and will pre-  
sent a handsome appearance, it being  
cut out in the rough and fully as  
serviceable as marble, but not quite  
as handsome.

"In order that work could be com-  
menced on this building this year it  
was necessary to make some  
changes, but it will in no way deter  
from the substantiality of the build-  
ing, which will take up the entire ap-  
propriation of \$150,000.

"The interior is to be finished up with  
marble wainscoting, brass and  
bronze, and when completed will be  
fire-proof throughout, being a building  
of two stories and basement and run-  
ning 62½x120 feet over all.

"There has also been an additional  
appropriation of \$25,000 asked for  
which, if secured, will be used to pur-  
chase furniture for the building, and  
from this amount a very fine article  
can doubtless be purchased."

### Wormology.

Should be studied by every parent.  
If your child is nervous, fretful, starts  
in it's sleep, is pasty faced, has rings  
under its eyes, always seems hungry,  
is not gaining weight, you can be sure  
the trouble is worms. White's Cream  
Vermifuge is an absolute cure for  
worms. Is it's own purgative. Sold  
by W. M. Johnson.

### Commissioners in Session.

From Wednesday's Daily Sun:

The regular monthly meeting of the  
Board of County Commissioners is  
now in session with the full member-  
ship present. It will be a couple of  
days before they complete their la-  
bors, but nothing of especial interest  
has come up before the meeting.

## FARMERS BEING OF- FERED \$1.50 CRATE

CABBAGE MARKET RUNNING SKY-  
WARD AND PLEASES FARMERS.

Business Men and Growers Alike  
Happy Over the Condition of  
This Healthy Market.

From Tuesday's Daily Sun:

The truckers of this section have  
just cause to be happy over the sub-  
stantial increase in the cabbage mar-  
ket.

Buyers in this section are now of-  
fering \$1.50 for the vegetable f. o. b.  
and it is believed that this price will  
be raised within the next few days,  
as the Northern market is showing  
firm, the sales being around \$2.50 and  
up.

At the best, very few of the grow-  
ers ever realize much more than a  
living out of the various vegetables,  
but it looks as if the cabbage crop will  
be their salvation this season, with  
the cukes and 'lopes yet to be heard  
from.

This will prove gratifying news to  
the numerous business men who have  
advanced money on this crop, and it  
will also assist in the local trade as  
the money that will be realized for  
this particular item alone will be  
quite large.

### LETTER TO ROYAL COOK, Gainesville, Florida.

Dear Sir: The real test of a paint  
is how many square feet will a gallon  
of it cover? And all the paints swear  
they cover 300 square feet two coats.  
Mildly, they prevaricate.

L. H. Ferchaud, builder, 1108 Dupre  
street, New Orleans, covered 1900  
square feet with three gallons Devoe  
last year; and paints all his jobs De-  
voe. That's how the tale gets to us.

He doesn't say whether one or two  
coats; if one, there's nothing wonder-  
ful in it; if two, they must have very  
small feet in New Orleans.

Devoe doesn't stop at 300 feet; but  
over 600! Most paints, we suppose,  
can be stretched to 300 feet, but  
they're mighty thin; they cover well  
150 to 200.

When N. R. Watkins, Lott, Texas,  
painted his house before, it took 13  
gallons; Devoe 7 gallons. That shows  
the strength of the paints.

W. B. McCluney painted a house  
in Crystal Springs, Miss., to test two  
pure paints; one coat 6 gallons Devoe;  
the other coat 10 gallons of a New  
Orleans paint. That shows the  
strength of the paints.

Surfaces differ; one takes more,  
another takes less. Devoe covers  
more than any other paint; two to  
one in the case of half the paints. But  
how many it covers, we don't know  
till we see the surface.

Yours truly,  
73 F. W. DEVOE & Co.,  
P. S.: The Gainesville Hardware  
Co. sell our paint.

### Completed Their Business.

From Wednesday's Daily Sun:  
The County School Board was in  
session all of Tuesday and completed  
their labors for the month's business.  
There was very little doing outside  
of paying the regular monthly salaries  
of the teachers.

"Suffered day and night the torment  
of itching piles. Nothing helped me  
until I used Doan's Ointment. It cured  
me permanently."—Hon. John R.  
Garrett, Mayor, Girard, Kans.

## ALACHUA DEPUTIES PROVE VERY ACTIVE

TRAIL NEGRO TO GEORGIA AND  
BRING HIM BACK.

Negro Has An Illustrious Name and  
Charged on Two Different  
Counts of Embezzlement.

From Tuesday's Daily Sun:

Deputy Sheriffs E. Marclonny and  
W. C. Hague of Alachua have added  
new laurels to their records by trail-  
ing a negro from Alachua to Savannah  
and succeeding in bringing him back  
to meet justice.

The negro, John Ben Bolt, had form-  
erly been arrested by Deputy Mar-  
clonny, who placed him in an old barn  
hand-cuffed over night, but the negro  
succeeded in some manner in making  
his escape, and it was the determina-  
tion of Mr. Marclonny that he be re-  
captured, and with the assistance of  
Deputy Hague they followed their  
man to Savannah.

The negro was a valuable catch in-  
asmuch as he was wanted on two  
charges of embezzlement, which deed  
was committed in Suwannee county,  
and it is understood that some re-  
ward was out for his apprehension.

Deputy Sheriff Bruton also picked  
up another valuable man Monday  
evening, having caught Stewart De-  
Vaugh near Rochelle. He was wanted  
by the officers of Osceola county, the  
charge against him being assault.

### A Religious Author's Statement.

Rev. Joseph H. Fesperman, Sallis-  
bury, N. C., who is the author of sev-  
eral books, writes: "For several years  
I was afflicted with kidney trouble and  
last winter I was suddenly stricken  
with a severe pain in my kidneys and  
was confined to bed eight days unable  
to get up without assistance. My  
urine contained a thick white sedi-  
ment and I passed same frequently  
day and night. I commenced taking  
Foley's Kidney Remedy, and the pain  
gradually abated and finally ceased  
and my urine became normal. I cheer-  
fully recommend Foley's Kidney Rem-  
edy. J. W. McCollum & Co.

### Marriage in South Gainesville.

Rev. S. B. Rogers Sunday united in  
holy wedlock Mr. Wm. Scott to Mrs.  
Saphrona Jones, the happy event oc-  
curring at the home of the bride in  
South Gainesville. The bride has lived  
here for a number of years and has  
a large number of friends, while  
the gentleman has gained an extensive  
acquaintance during his residence  
here. The best wishes of their  
friends go with them that their wed-  
ded life will be a happy one.

## STOMACH AGONY

Abolish the Cause, and Misery and Dis-  
tress of Indigestion Will Vanish.

Can indigestion be cured? Hun-  
dreds of thousands of people who suf-  
fer from belching of gas; biliousness,  
sour stomach, fullness, nausea, short-  
ness of breath, bad taste in mouth,  
foul breath, nervousness and other  
distressing symptoms, are asking  
themselves that question daily.

And if these same doubting dyspep-  
tics could only read the thousands of  
sincere letters from people who once  
suffered as badly as they do now, but  
who have been quickly and permanent-  
ly cured by the use of Mi-o-na, the  
mighty dyspepsia remedy that cures  
by removing the cause, they would go  
to J. W. McCollum & Co. this very  
day and get a large box of Mi-o-na  
tablets, and start themselves on the  
right road to health at once.

The price of Mi-o-na tablets is only  
50 cents, and J. W. McCollum & Co.  
guarantee them to cure indigestion, or  
money back.

Thin or lean or scrawny people will  
find in Mi-o-na a maker of flesh and  
blood, because it causes the stomach  
to extract more nutritious matter from  
the food, which quickly enriches the  
blood.
